Making the Most of Word Reference

Important notice

At the end of this presentation, there is a link to a Microsoft Form quiz. We recommend you score an 80% or higher.

Please take your time viewing and studying this material before you proceed with the quiz.

Objectives

This module provides resources and strategies to support independent study in both English and Spanish courses. Word Reference is one of the many tools that will aid you throughout your academic life. We encourage you to use it!

By the end of this module you will:

- Learn how to use the features within this on-line dictionary.
- Be able to maximize the website's tools.
- Acquire the ability to utilize this resource in academic, personal, and professional settings.

What is Word Reference?

- Word Reference is a free online bilingual dictionary.

- Word reference provides:
  - Definitions
  - Pronunciation (variations)
  - Synonyms
  - Conjugation
  - Translations
  - Usage
  - Collocations

How is this tool helpful?

Word Reference can help you…

- Discover new words

- Avoid repeating the same words

- Use words correctly according to its grammatical function

- Pronounce words correctly

Grammar and Usage

- Usage: The usage tool is helpful whenever a word belongs to different syntactic categories. Example: "answer"
  - I want an **answer**. (noun)
  - **Answer** me now! (verb)

- Collocation: The collocations tool will help you see the same word in many sentences or phrases which will help you grasp how it is usually used and what types of words usually come before or after it. Example: prepositions
  - responsible **for**
  - responsible **to**

- See more: https://www.wordreference.com/EnglishUsage/

Usage

If you look up the word "enable," Word Reference will provide with a few synonyms that are used in a similar way. For example, "permit" and "allow" are synonyms of "enable" and should be followed by an object and a to-infinitive clause. Then, it shows what the verb looks like in example sentences.

Collocations

"Collocation" refers to word placement in different parts of a sentence according to the word's function.

For collocations of the word "enable," Word Reference provides eleven phrases in which the word is used in different contexts.
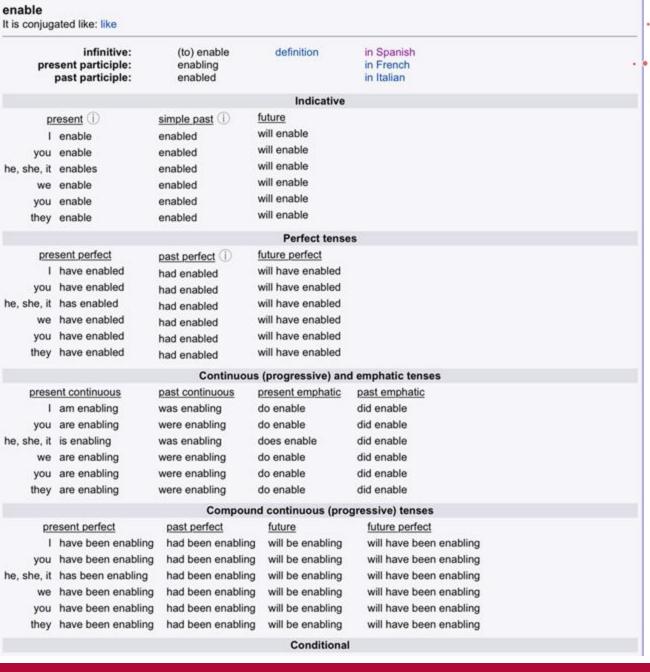

Verb Conjugator

The verb conjugator tool is available in four languages and provides a full table with all possible conjugations for each verb.

The table that follows provides the conjugations of the verb "enable."

See more: https://www.wordreference.com/conj/EnVerbs.aspx

Verb Conjugator

The table is divided in **verb tense** and **person** so you can easily find the verb conjugation that fits into your sentence.
